

Golden Bough

School Assembly Programs

Educational and Fun!

Specializing in traditional folk music from around the world, Golden Bough presents an educational, entertaining and FUN look at the music of other lands. Students enjoy clapping and singing along to the songs and are encouraged to pursue the music or instrument of their choice.

Children are captivated by the array of sounds that this talented duo produces on a variety of instruments. Offering programs that involve the students and allow them to see and hear unique instruments and music they might otherwise miss, Golden Bough's programs are indeed excitingly different and memorable educational experiences for children of all ages.

Full assembly programs, with summary, songs, objectives and more are available upon request.

Golden Bough has been working with children in concert and classroom settings for nearly 30 years.

From Ireland to America

Similarities and differences between the folk music of Ireland and America are explained and demonstrated. Margie, Paul & Kathy show how Irish folk music influenced, and was absorbed into, the folk music of the United States.

International Folk Music

A musical journey around the world. Singing in different languages, Margie, Paul & Kathy expose the students to the diversity of ethnic music from various countries.

American Folk Music

Performing such standards as; "Freight Train", "The Erie Canal" and "This Land is Your Land" Golden Bough highlights the modes of transportation used by early settlers, and shows how the songs, both lyrically and rhythmically, reflected those times.

A Winter Celebration

Students join in on a variety of carols from Celtic lands and elsewhere. The selection of songs covers holiday themes (Christmas, Hanukkah), as well as themes for the Winter season.
